

Supplier Safe Drinking Water Declaration

The Camira supplier shall acknowledge responsibility for confirming the absence or presence of any regulated toxic and carcinogenic substances in products it supplies to Camira. The supplier shall document the confirmation using the declaration below.

This declaration will be made in accordance with California Proposition 65 (officially titled the **Safe Drinking Water & Toxic Enforcement Act of 1986**) and used to communicate information to Camira about products containing substances that have been identified as toxic and carcinogenic in the **Proposition 65 List**.

Declaration

Company Name:

Supplier Reference:

1. At the date of completion of this form, do any of the products supplied (or propose to supply) to Camira by the above named supplier contain substances identified in the Safe Drinking Water and Toxic Enforcement Act of 1986, which the OEHHA has published in the Proposition 65 List, at a concentration above **Proposition 65 Safe Harbour Levels**?

Supplier response:

2. For any products that contain Proposition 65 substances above the Safe Harbour Levels, please complete the following table. The supplier shall complete this information on a separate sheet if more space is required.

Product name	Substance name	CAS number	Concentration %

3. The Camira supplier shall attach the mandatory warning labels to products containing identified substances above Safe Harbour Levels.
