

UK Product Changes 2020

Revised 30th June 2020

camira

Full Product Ranges

Summary of revisions made 30th June 2020

Phase out from January 2020

Phase out periods are highlighted range by range. Once stock goes further production will be reviewed on a case by case basis. Please speak to your relevant Camira Area Business Manager regarding this.

Custom Made Product Ranges

In addition to the above, four ranges will move to a 'Custom Made' status (rather than being available directly from stock). Sampling will NOT be available for these ranges.

From 1st July 2020 MOQs and lead times will apply.

There will also be some individual colours discontinued and not available for MOQs.
