Carlow echoes the calm, gentle landscape of its Celtic namesake in rural Ireland. The fabric, like the county, invites you to escape into a place of tranquillity, discovering and exploring its hidden gems scattered throughout a vibrant textile tableau. This dobby weave panel fabric is brought to life in brave and intriguing color mixes which can be teamed with our most popular upholstery fabrics. Carlow is acoustically transparent, making it ideal as a decorative facing for sound absorbing boards.

Carlow meets the ACT voluntary
Performance Guidelines for panel fabrics.
