

Super Trim VCA Regulation 118.03 Certificate

The following VCA ECE certificate, Approval No. E11*118R03/01*0055*02 dated 08-11-2024 relating to the fabric range 'Super Trim', is an extension to certification previously held under Regulation 118.00 approval.

While the update means this product is now listed with a 118.03 approval, it is still based on testing to Annexes 6 (Horizontal Burn) and 7 (Melting Droplets), which is why it remains approved for installation in a horizontal manner only, as per Appendix 1.1.1.
